Faith in the Face of Death

Hebrews 11:13-22

As we've studied through Hebrews 11, we have seen examples of Old Testament saints who lived by faith. However, our passage this morning finds the author of Hebrews discussing some Old Testament saints in the context of death. Let's look at how these Old Testament saints looked beyond death as they exercised faith in the face of death.

Notice that faith in the face of death...

I. Shifts what we _____ and Changes what we _____ (vv.13-16)

**II. Recognizes the Finality of _____ but Believes in a _____
to Life (vv.17-19)**

- See *Genesis 22:1-8; Romans 10:9; 1 Corinthians 15:50-55*

**III. Welcomes the End of the _____ while Focusing on the _____
of the Future (vv.20-22)**
