The Lord's Will Be Done!

Acts 21:1-17

Our passage this morning brings us to the end of Paul's third missionary journey and to the end of our **Multiply** series. Fittingly, what emerges from these verses is a desire for the Lord's will to be done (v.14). Let's drill down into this passage, then, to discover what it takes to accomplish the Lord's will.

Notice...

I. Who is Right? (vv.4b, 12)

- Two diverging camps of thought on this question

II. To Accomplish the Lord's Will, Christian _____ can be Helpful (vv.4-12)

- This manifested in at least three ways:

1. _____

2. _____

3. _____

III. To Accomplish the Lord's Will, Sensitivity to the _____ is Necessary (20:22-23; 21:13)

- Three ways we can develop this sensitivity:

1. We _____

2. We study _____ (*see Heb. 4:12 and Rom. 12:2*)

3. We live by the _____ (*see Gal. 5:16-25*)
