### **The Resurrection Body**

*1 Corinthians 15:35-58*

In our passage this morning, Paul responded to certain objections to the resurrection of the dead. From his response we gain better understanding of the resurrection body and more reasons to be thankful to God!

Notice...

#### **I. The Analogy of a \_\_\_\_\_ (vv.36-38)**

- See *John 12:24*

#### **II. The Evidence in God's \_\_\_\_\_ (vv.39-49)**

- Consider the contrasts between the resurrection body and the mortal body:
  1. The mortal body is \_\_\_\_\_, but the resurrection body will be \_\_\_\_\_ (v.42)
  2. The mortal body carries \_\_\_\_\_, but the resurrection body carries \_\_\_\_\_ (v.43)
  3. The mortal body suffers \_\_\_\_\_, but the resurrection body will be filled with \_\_\_\_\_ (v.43)
  4. The mortal body is \_\_\_\_\_, but the resurrection body will be \_\_\_\_\_ (v.44)
- One day our bodies will be **redeemed!** (See *Romans 8:23*)

**III. The Argument of \_\_\_\_\_ (vv.50-57)**

- Resurrection bodies are a *necessity* for eternity!

**IV. A Request to \_\_\_\_\_ (v.58)**

- The promise of future resurrection bodies provides believers \_\_\_\_\_ for the *future* and \_\_\_\_\_ for the *present*!
- *Hold fast* to the gospel and be *steadfast* in advancing it!
